

Emergency Numbers

**Life Threatening Emergency
Poison Control**

**911
1-800-222-1222**

Call 911 for a life threatening emergency. Notify RISE and the Case Manager or Support Coordinator AFTER the Immediate emergency is over or stabilized.

**RISE After-hour Emergency Phone
Tucson RISE After-hour Emergency Phone**

**602-292-4673
520-300-0682**

Notify RISE if there is an emergency with your home or the children/adults placed in your home. RISE staff will assist you in taking any additional steps or accessing help.

If you have a crisis during working hours, contact your Family Specialist at the RISE office (480-497-1889). If they are not available, call the office, Press "0" and ask for the "Family Services In-day Worker."

CPS Hotline (Statewide)

1-888-767-2445

Notify Child Protective Services, as legal guardian, if there is an emergency with a CPS child placed in your home. The actual case manager will not be available after-hours or on weekends, but will be notified and there is an emergency team available for assistance if needed.

DDD After-hours

**Maricopa Co.
Pima Co.**

**602-375-1403
520-745-5588**

Notify the Division of Developmental Disabilities if there is an emergency with a ODD child/adult placed in your home. The actual case manager will not be available for assistance if needed

**Behavioral Health
Crisis Line
CMDP**

**Maricopa Co.
Pima Co.
602-351-2245 or 1-800-201-1795**

**602-222-9444
520-622-6000**

The Regional Behavioral Health Authority provides emergency assessment for someone experiencing a mental health crisis, such as suicidal behavior.
